Comments Report

3. Open Response Questions:

3.1) What do you like most about the course and instructor?

- Explanations were helpful when I didn't understand how to work problems.
- Great class
- I did not utilize the TA so I am not able to give feedback.
- I like that Kathleen is always willing to help. She is very respectful and a great teacher.
- I like the math part of this course the most and I like how this TA was very helpful when it comes to office hours and helping us with the homework. She teaches the material well and makes it easier to understand
- I like the way she is respectful and kind and is always prepared for class.
- I liked how she was always there to help us. It didn't matter how many questions a person had, they went through all of them carefully and made sure we all understood what was happening.
- I liked how she was available through her office hours and that she was willing to answer all of my questions regarding the course material.
- I liked that she didn't mind helping a large amount of students at a time, because she had office hours right before lecture.
- I liked that there was a lot of extra credit offered to those who had a bad grade. The Tas were very helpful as well.
- I really liked how if you have a question, she does everything she can to help you understand the material.
- In this course I enjoyed how I am now able to use all that use for future research I may be apart of also Kathleen was great at explaining the problems when I did not understand in class.
- Instructor was well kept and had a good manner. Course itself posed some challenging concepts and ideas, but instructor helped to clarify to students in the best and most easiest way possible. Furthermore, tried her best at answering everyone's questions during office hours.
- Kathleen was a great TA. She was very clear in her explanations and she would answer any questions and clear up any confusion we had on our homework.
- Kathleen was always helpful and readily available to answer questions
- Kathleen was patient to all students during office hours.
- N/A
- Nice, helpful, makes the class simple and clarifies many questions we students have.
- Offered help when needed during office hours
- Office hours was very, very helpful.
- She is very nice and very kind and was a major help during office hours when i needed help on the homework
- She is willing to help and go over problems
- She very helpful.
- She was always eager to help students during office hours and tried to help as many students as she can.
- She was helpful during office hours.
- She was kind and almost always there.
- She's awesome
- Super helpful and friendly
- The professor was always enthusiastic and it made showing up and eager to learn a lot easier than expected.

- Very enthusiastic.
- Very helpful and friendly
- Very kind and explained things very well. Made things slightly less confusing and more easy to understand.
- What I most liked about this instuctor was that she was very patient and would teach you how to do the homework problems step by step. She exeeded the standards in teaching individuals. She made sure that students would all get individual attention.
- availability & approachable
- she was extremely helpful. she went through all the homework with us, and if we didnt get it one way she would try explaining it a different way.
- she was very nice and gave examples that where very relevant.
- the course was fun. the TA was very kind

3.2) What could the instructor do to improve the course, if anything?

- Communicate better among the professional team of the course.
- Discussion sections
- Get a bigger room for office hours.
- I think she can get a bigger room for office hours.
- If anything, the TA needs a bigger room or area where she can accommodate as much students as possible. Many students would attend office hours but it was always crowded, so having a bigger space room would be good.
- More examples
- N/A (5 Counts)
- Not much.
- Nothing everything was well explained and taught.
- Nothing! Maybe if the class wasn't so late...
- Offer more office hours.
- Office hours can be crowded. Perhaps a better room would be nice.
- Shee was very great at teaching very clear and understandable I would not have any complints.
- Slow down a bit when teaching.
- Suggestions to the professor:
  -Format the class so that students can study the correct answers to quiz questions and homework questions (in preparation for exams).
  -make the exams shorter (5-10 questions less)
- There is no improvements needed to be made.
- There isn't anything that comes to mind in improvement of the course. The only thing I had a little trouble with was the IT assignments, although they were meant to be effective I felt a little forced to read the book within a time limit. I usually read the book anyways, but having to read it by a certain time span made it difficult to pay attention to the actual text.
- be more approachable was a bit quiet and shy
- n/a
- nothing i can think of. more review?
- reviewing material
- she could be more intune with how we learn to do some of the concepts we learn in class so when I ask about methods they aren't lost.
- to be better prepared for that week's worksheet, being able to get the right answer most of the time.
